19TH - 20TH NOVEMBER 2022

EXHIBITOR INFORMATION

CELEBRATING THE KENT COFFEE SCENE

The Kent Coffee Festival is returning for 2022 in a stunning new venue, Dreamland in Margate.

We're heading to the seaside to continue the celebration of the Kent Coffee scene and bring together the community once again.

The event will be host to an array of exhibitors, speakers, demonstrations and a competition (NEW for 2022!).

Our Roaster's Zone will return serving up tasty brews from some of the best local and national roasters as well as an artisan food village showcasing incredible local food and drink producers.

THE VENUE

Margate was an obvious choice for the 2022 festival due to the brilliant coffee scene in the town. Dreamland is located directly on Margate beach with the train station only a 5 minute walk away.

The event will be taking place in the historic roller room which is bursting with character and will be the perfect backdrop for the Kent Coffee Festival!
